**DETAILED ACTION**

***Information Disclosure Statement***

1. The information disclosure statement filed on February 9, 2009 has been considered by the Examiner.

***Allowable Subject Matter***

2. Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance: The primary reasons for the indication of the allowability of claims 1-10 are:

Regarding claims 1-10, the prior art does not teach or fairly suggest in combination with the other claimed limitations a cable entry device, comprising a core comprising at least one axially extending intermediate portion connected to a flange, and locking means comprising detents, for instantly locking the core to the surrounding material when inserted into a hole of the surrounding material; wherein the core is substantially enclosed by the covering, and the detents extend through cuts of the covering.

This limitation is found in claims 1-10, and is neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
